<b>Grant Program</b>	2015 Paid Leave Analysis Grant
<b>Grantee Name</b>	Montgomery County Maryland
<b>Grantee City and State</b>	Rockville, MD
<b>Grant Request Amount</b>	\$63,136
<b>Location of Grant Activities</b>	Montgomery County Maryland
<b>Project Description</b>	<p>The Montgomery County Office of Legislative Oversight (OLO) proposes to conduct a study with financing and benefit modeling and cost-benefit analysis as well as an implementation report to determine the feasibility of a paid family and medical leave policy in Montgomery County, Maryland. The project will inform key stakeholders, policy makers, and the public about the costs and benefits of paid family leave. The County would like to determine whether a successful paid family and medical leave program could be implemented at the local level. Research will be conducted to estimate the usage and costs of family leave for employees in Montgomery County. Additionally, the County proposes to produce an implementation report to help educate key audiences and present options for implementing a paid leave policy in Montgomery County. The project seeks to contribute new knowledge to the national body of research on paid family leave by exploring how a local jurisdiction can take leadership to develop and implement paid family leave programs.</p>
